

## MEDIA RELEASE

10 December 2007

### **BSPC Helping the SIDR Victims**

It is with a sense of satisfaction and sympathy we inform you that the Bangladesh Society for Puja & Culture Inc (BSPC) has come forward to extend their helping hands towards SIDR victims in Bangladesh.

As a good gesture and with the aim for making a small contribution, does not matter how small it is, BSPC has come forward with rest of the kind-hearted people and organisations to collect donations. So far, BSPC undertook following activities:

- Through its web ([www.bspc.org.au](http://www.bspc.org.au)) made an appeal to everybody at the early days to make donations to Bangladesh Australia Disaster Relief Committee Inc. (BADRC) fund.
- On 9 December 2007 morning BSPC members staged a Food Stall at the Fund Raising Breakfast organised in Blacktown, where luchi-torkari was sold and all the sales proceedings were donated to the BADRC Relief Fund.
- BSPC's EC members made a small donation to the organisers of the Fund-raising Dinner held on 9 December 2007 at Lakemba.

BSPC is requesting all to attend the Fund-raising Concert on 16 December 2007 organised by BADRC at Polish Club, Ashfield.

BSPC extends its sincere thanks to those who responded to the requests and sincerely urges all to do their best in making further donations.

May our contributions and donations help the victims rebuilding their lives!

Best regards,

**Dr Swapan Paul**
